Overwater bungalows coming to The Bahamas

The ultra-luxury, ultra-romantic hotel brand Banyan Tree is heading to the Caribbean for the first time with plans to open the new five-star, 50-key Banyan Tree illa Bahamas. Launched in partnership with Island Developers, the eco-conscious resort is set to deliver the Caribbean's first authentic Maldives-style overwater bungalows in the western most district of The Bahamas. In addition to hotel suites featuring private terraces and plunge pools, the resort will boast 54 luxury residences, unique culinary pop-ups, a curated music series, oceanside meditations at the Banyan Tree Spa and more.

Get hitched without a hitch at The Crane Resort

The Crane Resort in Barbados is the perfect place to get hitched without a hitch. Whether couples are saying 'I do' for the first time or renewing their commitment to one another, the luxury resort takes care of all the details, with superb accommodations in a natural setting to make the most of the special day. It has two wedding packages – Silver (US\$750) and Gold (\$1,300)

– that include everything from the marriage licence to the wedding ceremony location. Its Vow Renewal package includes a welcome amenity for the couple, event coordinator, decorated flower arch and more. And for couples looking to spend their honeymoon in paradise, The Crane's honeymoon package includes one room upgrade (subject to availability), fresh flowers on arrival, champagne breakfast for two and one couple's massage.
