Posted: Jun 26 2015

***A champagne beach bar? Yeah, you heard us right! If you're in Montreal between now and July 1st, don't miss La Plage Moët & Chandon at The Ritz-Carlton Montreal.***

Think you have to head out of Montreal to find the beach this weekend? Not right now, thanks to the **Ritz-Carlton Montreal!** Following the success of last year's first-ever champagne beach bar, the hotel has teamed up once again with Moët & Chandon to bring the chic pop-up patio to the city. With its elegant and all-white decor, not to mention that luxe setting of the Ritz-Carlton itself, **La Plage Moët & Chandon** is the spot you want to check out this weekend.

If you have yet to visit the Ritz-Carlton Montreal's award-winning restaurant, **Maison Boulud**, it is an experience of its own. Not only do they offer outstanding food and small plates (we recommend the oysters!), but there is a full service bar that features an assortment of Moët & Chandon cocktails. You can easily order by the glass for you and your significant other, or by the bottle for you and a group of friends. This is the spot to go for all socialites in the city, and it's likely you may even spot a few celebrities here and there.

If you are in Montreal this weekend, do not miss the chance to check out this incredible and experiential pop up patio will be closing July 1st. **La Plage Moët & Chandon** is open between 4pm to 11pm, located at the **Ritz-Carlton Montreal** 1128 Sherbrooke St. West
