Tobago

beyond ordinary...

Explore the extraordinary

A spectacular welcome

Crystal-clear waters, lush rainforest, endless sandy beaches – just a few of the #101ReasonsTobago all within easy reach once your clients arrive.

Get back to nature

Tobago's rainforest is the oldest protected one of its kind in the Western Hemisphere – where your clients can hike, bike or walk around secluded pools and majestic waterfalls, and spot over 230 bird species.

Enjoy world-class beaches

Tobago's spectacular coastline caters for every kind of beach lover. Live out a secluded desert island fantasy or enjoy incredible opportunities for diving and snorkeling.

Get a taste for Tobago

Tobago's unique cultural history means it's a real mixing pot of flavours including African, Asian, Creole and European delicacies – a journey around the world for your clients' palate. Get your taste buds jumping with fresh curried crab and dumplings – a must-try dish!

Indulge in romance

For couples, Tobago's stunning natural scenery provides the perfect backdrop for an adventure together. Steal a kiss in crystal clear waters or refresh underneath a rainforest waterfall.

TOBAGO

Island of unspoiled natural beauty

ONLY IN TOBAGO

can you watch goat and crab races, which occur regularly on the island's entertainment calendar. Not to be missed is the annual Goat & Crab Race Festival, which takes place each year around Easter.

Only in Tobago

can you frolic like the **Beatles** at **Bacolet Bay Beach**, the location for the 1960 film, **'Swiss Family Robinson'**, and a favourite spot for the Beatles in the late 1960s and early 1970s.

ONLY IN TOBAGO

can you seal the deal with a kiss at Nylon Pool. Named by Princess Margaret for its clear-as-nylon waters, the pool is believed to reverse the effects of ageing by 10 years and bless couples who kiss underwater with a lifetime of happiness.

ONLY IN TOBAGO

can you witness the largest live brain coral, which spans 3m/10ft x 4m/16ft off Sp. yside.

Only in Tobago

can you snorkel **Buccoo Reef**, ranked by legendary French oceanographer **Jacques Cousteau** as the third most spectacular reef in the world.

Only in Tobago

can you indulge in **Curried Crab and Dumplings**, a must-try local delicacy. Tobago's cuisine is a unique blend of African, Indian, Chinese, European and Latin American influences.

Only in Tobago

can you explore the oldest protected rainforest in the western hemisphere. **The Main Ridge Forest** has been a protected reserve since 1764, making it the longest protected rainforest in the west.

ONLY IN TOBAGO

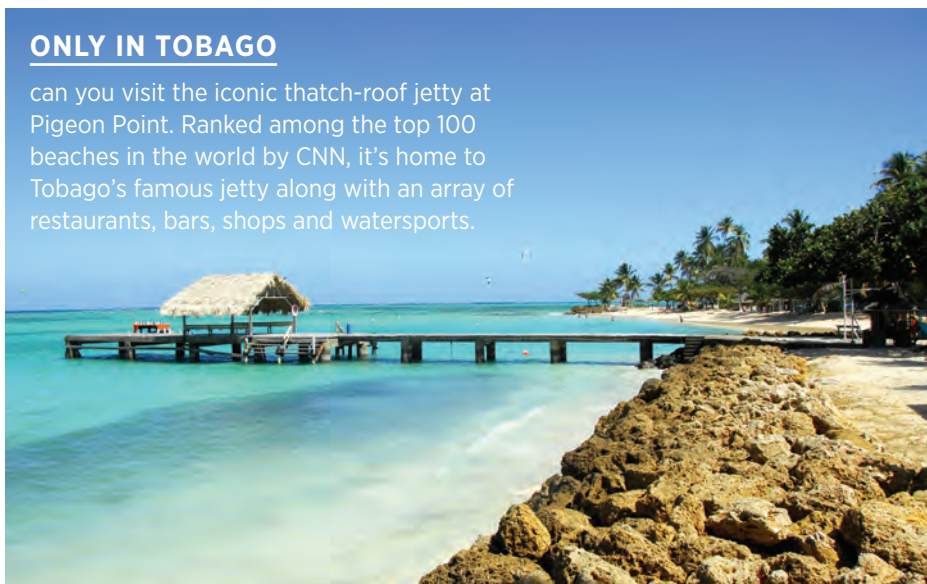

can you see over 230 species of exotic birds, 25 of which can only be found on the island.

ONLY IN TOBAGO

can you discover 42 different types of sand.

ONLY IN TOBAGO

can you visit the iconic thatch-roof jetty at Pigeon Point. Ranked among the top 100 beaches in the world by CNN, it's home to Tobago's famous jetty along with an array of restaurants, bars, shops and watersports.
